Memories of the Senior Class of 1947

We look back on our freshman year in high school with fond recollections. Sixty six freshmen entered the halls of St. Anne High School in 1943. The highlight of the year was the Halloween party at which the Sophomore class entertained us.

A slightly smaller class, but just a wee bit more confident entered school in 1944. We now had fifty-one students in our Sophomore class. Following the tradition we gave the freshmen a halloween party which included a scavenger hunt.

Old friendships were again renewed as fifty-four juniors entered classes in 1945. We had a very busy year before us. November 16, 1945—we drew a circle around that date. It was the date of our Junior Class Play. Members of our class presented "A Little Honey". Much hidden talent was brought to light and enjoyed by all. Then the really big events of the year came. Juniors worked in secret behind closed doors, away from prying eyes. The night of April 27, 1946, found the gymnasium the scene of a Mexican Banquet on the patio of the Cafe' de St. Anne. We entertained the Senior class as our guests at the gala event of the year. Another year had come to a close with "three down and one to go."

Forty-seven seniors entered the St. Anne Community High School in September 1946 for the most important term in their high school years. First came the election of officers. The following seniors were elected: President, Marlyn Ruebensam; Vice President, Mary Ann Bieber; Secretary, Grace Saini; Treasurer, Peter Yeates.

The Seniors again displayed their talents in the annual Senior Play. We dignified and sophisticated Seniors were then guests of honor at a banquet given in our honor by the worthy members of the Junior Class. Next on the program of the year came final exams and then Baccalaureate and Commencement. And so we end our final year in high school.

The memories of these high school days will forever remain in the scrapbook of events of our lives.

Class Prophecy

Oh! What have we here? Oh, now the mist is rising and we can see that it is the record kept in a scrapbook during the year 1957. Looking over the names we realize that they are those of the senior class of S. A. C. H. S. of 1947. Let's see how the class members are keeping themselves busy.

On radio station WKKK in Kankakee, Nelson Ritsema that well known and jovial announcer is thinking of producing a new radio show called "Everything in Music." Marion Reneau will be his soprano star and THE Frank Kershaw will be the tenor soloist. (There's always a Frankie). Andy Kort, another one of the class of '47, is connected with the Kankakee station. He is the chief radio engineer. On the new serial, "Miss Other Wife" Marilyn Raeversam is the leading actress. The program is sponsored by Yeates Gates in co-operation with Soucie's Locks. Yes, Peter Yeates that great carpenter and Wayne Soucie, the locksmith, have combined their businesses and have perfected quite a farm gate.

On another one of their programs, Clayton Yoder, a noted news commentator, has as his sponsor the H. B. DeYoe Ranch of Delta Valley, California. The ranch, a spacious one-acre plain, is run by none other than Harriet Bretveld. (You know, Harriet, Handy with the Lariat.) Clayton certainly has an interesting news program. Listening to it yesterday, I ~~realized~~ that Dr. Rap DeYoe ~~had~~ ~~had~~ perfected some new ~~last~~ teeth in order to enable people to keep "de young" look. Speaking of a doctor reminds me of the fact that Grace Salm has started a clinic for children and she also keeps orphans. Sounds interesting doesn't it? Delores Reilly has become a supervisor in Mercy hospital in Chicago.

In the Kankakee library, librarian Roy Alvey, who still keeps himself busy reading books; showed me in a late newspaper edition where Lester Bear has been named the most courteous truck driver of the state. Lester's friend, Donald Dionne, has been named the most reliable mechanic in the state.

The sports section of the paper held some interesting facts about some of the members of the '47 class. Dorothy Balls is on one of the foremost professional women's softball teams in the country. Gerald Bivie is in his first year of professional basketball. Cestig Steiner does a little ~~expedition~~ ~~in the~~ ~~country~~ ~~of~~ Mexico. Merton Macter, a ~~former~~ All American is playing his last year of football before going into the ~~country~~ ~~country~~ ~~country~~ business as a pastime. Cornelia Salm who is still writing articles as a baseball authority for a national magazine, was married to a Chicago team's manager recently. I wonder who knows the most about baseball?

CLASS PROPHECY (Continued)

Down at the train depot in St. Anne Marshall Talley is busy sending telegrams, selling tickets and doing all such work that keeps ticket agents busy in a growing metropolis. Wilma Vandancourt is one of the many of typists who also is kept busy at the ticket office. Any time of the day when a train arrives from Chicago, off may h p Arteta Scatena, a Chicago newspaper reporter, making a quick trip to the old home town to see what sort of new factory has started up in the busy city in order to give St. Anne a front-page spread.

I noticed one of Arteta's front page stories was of the excellent performance of singer Betty Soucie given in the new St. Anne Civic Opera House. She also wrote about June Simonetti's success as a commercial artist.

Donald Parks and Raymond Moran are both officers in the navy. Pat Cohan isn't in the navy but it keeps her busy anyway. Her friend Alice Lafond is married and lives in a very modern farm home near one of the growing suburbs of St. Anne.

Eleanor Otis is still busy designing clever lapel pins. Many of us have seen some of the costume jewelry "by Eleanor". Lorraine Otis and Catherine Fortini are in the public accountant business. Catherine must not have carried on her plan to become a professional bum.

Mary Ann Bieber is a court reporter in New York City. Also in New York is Virgil Landry who is now head waiter at the Stork Club. Working in one of the Radio City Threes as a caddy. Here Gethine many celebrities.

In a secluded laboratory somewhere in the Great Northwoods, Vivian Shrantz is busy working on a new cure for cancer. She enjoys the work, especially since she can stand by and watch her lab assistants wash the dishes.

Norma Talley is the secretary for the Flying Glad Farmers from Wickert. The original members of the organization are Eugene Sneed, Fred Sigma, Harold Sakina, Raymond Renn and Sam Keppler. Simon, also, is carrying on quite a dairy business.

Myron Register and Roland Latorre are running experimental farms for farm machinery in Beaverville. Daniel Woodard is farming also. Wayne Hall is an implement dealer and plays a bit of football for the Momence American Legion.

What a variety of interesting occupations have the members of the class of 1947. Much has happened since they were last altogether on the night of June 4, 1947.

In the fall of 1946, fifty-one Juniors returned to gather a year of knowledge. The officers, Lois Starkey, President; Lela Sidener, Vice President; Jackie Beaupre, Treasurer; Lila Mae Reichert, Secretary, were helped with the problems of the year by Mrs. Chace and Mr. Van Rheedan

The Juniors kept the candy booth well supplied with Vita Serts and Pretzels throughout the year

To lend color to the scrapbook, the Juniors sponsored a Donkey Basketball game. In the first game, Pilote's Big Ears came forth with six baskets, and Nelda's Nitwits struggled behind with four baskets. The second game was between the Wichert and the St. Anne Boys. After playing hard, the game ended in a tie. In the overtime, Wichert won. The third

Juniors

After a night of racing was between the Business Men and the Farmers. The Farmers showed the Business Men that in order to win, it takes skill. A gay time was had by all who attended, and no players suffered ill effects.

III.

"MY HEART'S IN HIGH"

In order to make money for their banquet, the Junior Class put together a play to present. The play "My Heart's in High" It was a three act comedy centered around Dorie, a young girl, who was interested in a career. After pouring her soul into a contest, and winning it, she was held back by an interview with Mr. Sherman, a woman hater. With the help of her father, Perky and her two boy friends, Dorie was thrown into a mad-cap scheme. Her great aunt Amity, who came for commencement, saved the day.

Dorie	an adorable young miss
Elva	her "moody" mother
Leonidas	... her meek father
Perky	her little sister
Aunt Amity	... a spry old aunt
Bart	her old standby
Kitsie	... her best friend
Dot	a flippant classmate
Dash	a lively boy friend
Freddie	a hopeful boy friend
Mr. Leonard Sherman	... an architect

□ □

The Juniors helped to close the scrapbook by giving the Seniors a farewell banquet. They sincerely hoped the Seniors enjoyed themselves. So then they left St. Anne High for their summer vacation, looking forward to their years as Seniors.

Sophomore Class

In the scrapbook for the sophomore class there would be listed the names of thirty-four boys and twenty-six girls. The names of the class President, Caroline Kempton; Vice-President, Dorothy DeYoung; and Secretary-Treasurer, Nelda Demik would also be listed with the class advisers Mrs. Fox and Miss Snook.

As we turn to the sports page we would find listed many names of sophomore boys who are very active in Track, Football and Basketball. Many of the sophomores would be pictured on the first and second teams.

As we turn the pages in our scrapbook and come to the activities and organizations pages we see the names of many familiar sophomores who are in band and choir and in the different organizations, including the Cadets. The sophomore girls won the noon volleyball tournament.

While we look through our scrapbook we can't possibly forget the party, the sophomores gave the freshmen in which the freshmen had to go through the "Spook House" for their initiation.

The rings for the sophomores were ordered at the end of the year and every sophomore — looking forward to receiving them in the fall.

Freshman Class

In the freshman scrapbook was found a picture of its seventy-eight members with Miss Mary Trout and Mr. Harold Brunt as sponsors and the following officers, Verne Bear, President; Nellie Salm, Vice-President; Rachel Browning, Secretary; Betty Bertram, Treasurer.

The all school party in honor of the freshmen was held out on the athletic field October 3, 1946. Arleta Schrieb and Marilyn Ruebensam, student council members, led the school in games. There were relay races and tug-of-war for both boys and girls; push ball for boys and deck tennis for girls. The party started at 3:00 and ended about 7:30.

On October 29, 1946, the Sophomores gave a party in honor of the new students. At first all Freshmen joined hands and stood in a circle, then they had to stoop down and roll up their pants' legs. Then they were led through a small tunnel where the Sophomores rattled chains, tickled their faces with a fuzzy tail and sprinkled water on the poor freshmen. That was the formal initiation of the freshmen by the sophomores. After the entertainment, refreshments of apples, doughnuts, and punch were served.

Delegates from the club attended the Tri Hi-Y conclave in Streator and also a joint meeting at Kankakee with the Hi-Y.

The Tri Hi-Y undertook several projects this year. One of their projects was to help buy the cot for the girl's room. They also helped in the March of Dimes campaign. Their meetings were arranged so as to have one night meeting and one noon meeting every month. At their night meetings there were several different programs including stunt night, Chili supper, other interesting activities and one night was devoted to listening to records.

G. A. A.

The G. A. A. started the year off with a big bang. The first thing on the calendar for the year was a "Campfire" party at which the girls renewed old friendships and made many new ones. At the close of the party the awards which had been earned by the girls in the preceding year were handed out.

In the fall the girls held tournaments of soccer, speed-ball, and volleyball. The sophomores won the volleyball tournament. In the winter table-tennis and basketball were the main events. The basketball tournament which provided a lot of excitement and amusement during the noon hour was held from February 4th to the 28th, 1947.

Ten of the G. A. A. girls attended a play day at Bloom. The girls held a play day of their own also.

The year ended with the initiation of the new officers on May 15, 1947 and the awarding of letters to those who earned them.

Ergonomics

The F F A. organized and elected officers, for the year 1946-47, last Spring. Officers elected to lead the third largest F F A in the State of Illinois were, Bernard Arseneau, President; Nathan M. Vice-President; Donald Kent, Secretary; Nelsom Ritsema, Treasurer, and Donald Dionne, Reporter. Lester Bear, Sentinel. The F.F.A. is a State and National organization. The St. Anne Chapter is a charter member of the Illinois Association.

One of the first activities of the newly organized FFA was to enter teams in the State Livestock and Grain Judging Contests in Urbana, Illinois. Fifteen boys judged in this contest held at the University of Illinois Campus. They were well rewarded with Blue, Red and White Team and Individual Ribbons.

During the summer many of the FFA members showed their livestock projects at the County and State Fairs. Their rewards were ribbons and prize money. Also, during the summer, an FFA trip was made to Chicago to see the annual Lamb show at the Union Stock Yards. Other points of interest were also visited.

The first activity after school started in the fall was an all day officers leadership school in Joliet. All of our officers attended this meet.

Cooperative buying of project livestock is an important FFA activity. Two car loads of FFA boys went with Mr. Van Rheeden to Montgomery, Illinois to personally select a group of feeder steers for project work. An annual Activity Point Contest was started this year by which FFA members receive points for doing worthwhile FFA activities. Those members securing enough points will receive an FFA award, a FFA letter.

A trip to the International Livestock Exposition at Chicago is one of the high lights of the year. All boys look forward to the annual trip with great anticipation. Part of the annual program of activities consists of joint meetings with FFA Chapters from schools nearby. The FFA always entertain their fathers in the spring with a Father and Son Banquet. The favorite menu of fried chicken is usually served with all the trimmings. At least once during the year there is a joint FFA - FFA act. The FFA has quite a large amount of expense for pins, trips, etc., so it must find means of earning money to finance these expenses. FFA has always sold pop at the basketball games on a profit-sharing basis with the athletic association. Scrap drives are also a source of expense in

“The Veterans On-The-Job Farm Training Program”

The United States Government passed Public Law No. 346 by which all veterans of World War II were eligible to certain educational training, depending upon the number of months they were in service and paid by the Federal Government.

The St. Anne High School Agriculture Department was one of the first in the State to organize classes for veterans who are employed on the farm. There are, at the present time, 70 veterans enrolled in six different classes all of which meet from 7:30 to 10:30 P. M. every Thursday evening. The St. Anne classes are the largest group in the State of Illinois.

There are three classes, taught by Mr. Fred Davis, Mr. Frederick Greenman, and Mr. R. Van Rheeden, for veterans who are interested in General Agriculture. There are three other classes, taught by Mr. G. T. Swami, Mr. Wm. Biuwegan and Mr. John B. Demik, for veterans who are interested in vegetable and gladiola farming. Mr. R. Van Rheeden, Agriculture Instructor, supervises and is responsible for the program.

Through the day, the veterans are working on farms, while each Thursday night they get related training in the classroom. The farmer, for whom they are working, gives the practical on the job training in connection with the modern up-to-date methods of farming studied in the classroom.

A representative, from the Veterans Administration, is in constant check that a full time educational program is being carried on at all times. Veterans who meet all requirements, receive a regular monthly subsistence payment similar to the payments received by veterans who are attending colleges.

The '46-'47 scrapbook of the music department is full of events. Under the direction of Mr. Brunt the department enjoyed an interesting and industrious year. The band started the year by playing for all the home football games and did likewise for the basketball season.

The band and glee club gave a Christmas program December 22 featured by solos both vocal and instrumental. Besides this seven Monday evening concerts, two Sunday concerts, and three childrens, afternoon concerts were given for the home folks. As a thank you to St. Patrick giving us a program, the musicians traveled there as well as to Peotone and Beaverville to spread the good will feeling.

The District Solo and Ensemble Contest was held March 29, the District Band Contest, April 19 while the State finals were held May 9-10.

Football

In the year 1946 the St. Anne High School football squad put down in its scrap-book the best record ever made in the history of the school.

In one of its best played games of the season St. Anne tumbled a highly rated Bradley team for the first time in the history of the school. They were a determined team of players because every team of players outweighed them; but the strong determination of our "Fighting Cardinals" playing against superior weight made all of St. Anne proud of them.

The Cardinals had six returning lettermen from last year's team. They were seniors, Mathan Martell, Gerald Lavoie, and Wayne Hall. Juniors, Byron Stroo, Gilbe Therien and Sophomore Carl Ahrens.

Next year the "Fighting Cardinals" hopes for another championship team are high for there is plenty of talent coming up from the second team which also made a good showing. Nine lettermen from the varsity of this year will be back. They are Juniors, Charles Lareau, Gilbert Therien, Levi Reckhemmer, and Byron Stroo; Sophomores, Gaylord Mercier, Paul Corkins, Bob Lavoie, and Carl Ahrens.

There were eight seniors, who helped write football history in the scrap book of old St. Anne. They are Fred Sikina, Donald Parks, Donald Dionne, Wayne Hall, Frank Kershaw, Gerald Bovie, Virgil Landry and Mathan Martell who was named little all-state guard on Pat Hartman's all-state selection.

Basketball

Under the direction of Coach Orr the St. Anne Cardinals entered into the scrap book a commendable record. The Cardinals had a small and young team but made some if the more experienced teams look up in envy.

With Gerry Bovie and Byron Stroo, returning letter men from last year's team, leading the way, Juniors, Gail DuMontelle, and Gilbert Therien; Sophomores, Bob Lavoie, Paul Corkins, Gaylord Mercier, and Carl Ahrens from last year's championship team led the way on the hard wood.

Before a near capacity crowd the Cardinals whipped the Bradley Boilmakers, St. Anne's arch rival, 37 to 26.

In the New Year's tourney, the Cardinals went into the final round by upsetting the pre-tournament favorite, St. Patrick's Irish 41 to 33 in the afternoon then lost a heart-breaking close game to Watseka to come in second place.

In the most thrilling game of the year, the Cards lost a 36-34 decision to Kankakee, before the largest home crowd of the season.

In the Kankakee Valley Conference tournament at Bradley, St. Anne drew Reddick and beat them 56 to 45, then dropped a 50 to 41 game to St. Patrick's, who later went on to win the tournament.

The Cardinals will lose Gerry Bovie and Virgil Landry via the graduation route. Gerry Bovie was an outstanding athlete, both defensive and offensive player. He hit his prime when he scored seventeen points against Momence on their home floor. Virgil Landry, a senior did a wonderful job of guarding when the going was tough. Virgil who is from Grant Park hit his prime there when he shone in the second period and came through with eleven points when St. Anne played at Grant Park.

Basketball

The Cardinals' hopes for another season are bright, for they have Juniors, Byron, Strom, Gail Du Montelle and Gilbert Therrien; Sophomores, Gaylord Meier, Paul Cookins, Bob Favole, and Carl Ahlers back to start the year off right.

Byron, a member of the first five, scored twenty-two, sixteen, and sixteen points against Herscher, St. Pats and Reddick respectively. Gail Du Montelle and Gilbert Therrien played some fly ball on the second team, and always dressed for the first team games, where they were played when needed.

The Sophomore quartet composed of Gaylord, Paul, Bob and Carl wrote their share of history in the scrapbook also. Gaylord, a small guard grabbed the spot light when St. Anne played Crete and St. Pats, for on those nights he bagged fourteen and fifteen points respectively. Paul hit his stride in the Herscher game when he scored ten points, all in the last half.

Bob, the center, was the spark plug the night St. Anne played Reddick in the Kankakee Valley Conference tournament. Besides playing his usually outstanding defensive game, he scored twelve points for his best game of the year. Another Sophomore, Carl hit his best games when St. Anne played Kankakee, Bradley, Reddick and St. Pats when he scored nineteen, twenty-one, seventeen points respectively.

Staff

The yearbook staff had quite a time assembling all the material for the printer, engraver and photographer. They had to spend many long hours working on this new type book for St. Anne High School. The staff hopes that everyone will enjoy turning the pages many times in the coming years. They have assembled records of happenings linked together with snapshots of friends, programs of concerts, scores of games, names of officers of clubs, classes and organizations and amusing incidents occurring at school.
